

Dear Valued Customer,

Thank you for contacting our restaurant.

We regret to advise that with effect from 25 December 2016, we have decided to discontinue operations of Ristorante Amarone as we have found it increasingly difficult to operate in a very adverse environment with high operating costs, complex manpower regulations to comply and dismal market conditions to boot, making it almost impossible to run a sustainable business. Since our current lease with the landlord will be due for renewal on 16 January 2017, we have decided not to extend the lease.

This decision hasn't been an easy one to make as we have over the past 3 and a half years made many friends and gained numerous regular supporters. It will be especially difficult for us to let go of our team of amazing staff members, most of whom have served faithfully with dedication and passion from the very beginning. So yes, we will miss them all but alas, life has to go on.

Many have asked if we have plans to relocate to another venue. At the moment, we can only say truthfully, we do not have any such plans unless of course, we succeed in finding a potential partner who can provide the necessary resources, energy, support and commitment to a new venture. Meantime, we will shutter the place and take a breather.

We will, however, remain contactable via our email - management@amarone.sg for anyone who may come along with an interesting business proposition. Thank you once again for your support. It has been our pleasure serving you.

Yours truly,

Chef Fabio Previtali
